## NEW YEAR'S GREETING

“Immeasurable Light and Life.” I send you my greeting at the beginning of the New Year.

May we all live every precious moment of life with the Nembutsu. In thinking about the world today, all the gloomy topics like the Iraqi war, civil wars, famine, the spreading AIDS, and the deterioration of public security come to mind. It was not only during the 9.11 attack in which many innocent lives were taken. I wonder how is the situation around you. In the last year, Japan was tormented by typhoons, floods, and earthquakes, and it also seems that people's hearts have seriously become cold and insensitive.

Buddhism starts with the fact that life is filled with suffering. This view does not seem to be popular in present-day Japan because some people find it to be somber. However, any positive feeling or bravery, which seemingly may be gained by concealing what one does not like, is simply a camouflage and will only deepen our confusion. Genuine hope and strength cannot be gained except by accepting one's suffering.

Even if the world around you may be inhumane, sometimes you may feel or remember the kindness or warm eyes of people. The first people that come to mind may be your parents or grandparents, but it can also be someone whom you have met for the first time or other things such as animals and plants. If you can realize the working of Amida Tathagata's compassionate heart beyond them, you can follow the way of living in which you accept yourself as well as the lives of others and support each other.

Let us live each day to the utmost, with joy and an appreciation of life.

## New Year's Greeting

New Year's Eve is a naturally reflective time when we quietly look back on the year we have lived through.

It's been a year of many changes.  
Many endings and new beginnings.  
Many partings and new meetings.

It's been a year that many of us have known great loss, yet it has also been a year of tremendous growth and deepened commitment.

The Changes have been many. As Buddhists, we know well that this is the nature of Life. And as we reflect on the many Meetings and Partings / Beginnings and Endings we have known in 2004. We know that even in our most difficult partings there is at the heart of our Sadness a feeling of endless gratitude for the love and the life we have shared.

And as we observe Joya-e / New Year's Eve Service and Shushoe / New Year's Service, my family and I would like to express our gratitude to our many members and friends here at the Vancouver Buddhist Church for another wonderful year.

We wish everyone safe and enjoyable Holidays, and a Very Happy and Healthy 2005!

Namo Amida Butsu

## Dharma School Report

As the year draws to a close, Vancouver Dharma School thanks parents and children for their attendance and participation during the past year, the Bukkyokai for their support and Aoki Sensei for his Dharma talks and guidance in 2004.

Please bring in year 2005 with other members of the Sangha at a New Year's Service on January 1<sup>st</sup>, 10:30 a.m. After the service, enjoy some drinks and nibblies and take the opportunity to extend New Year's wishes to your friends.

Snow-tubing is scheduled for Saturday, January the 15<sup>th</sup> at Seymour Mountain. Hot drinks and food will be provided at the mountain. Please keep this date open for some fun in the snow! Details will forthcoming in the new year.

We wish everyone a warm, safe and wonderful holiday season.

How quickly our Centennial year has gone. We have now concluded our “year of celebration”. It was a very good year! After much planning and hard work by all our members we can safely say, how well everything turned out. Thank you to the Centennial Committee, to all the Toban teams and all our members for the support and contributions they made. Our projects to commemorate the centennial are now nearly completed with the exception of a few. Our goal for fund-raising was \$100,000.00 of which we are still short by approximately \$10,000.00. We plan to keep the fund open for 6 months into 2005 so it is still not too late to contribute and show a spirit of dana to continue maintaining our temple for our future generations. We aim to reach our target!

Our last major service was the Bodhi Day and December monthly memorial service held on December 12. Rev. Grant Ikuta from Toronto gave a very interesting talk to our children, another talk directed to our youth, yet another for adults in English and finally one for our Japanese-speaking members. Throughout the year, we have invited guest ministers for all our major services to highlight our 100<sup>th</sup> Anniversary Year. We have done major clean-ups, painted interior walls and purchased many items. We have added better sound and better lighting in the hondo and cleaned up the naijin and bought religious articles to better the naijin area.

The year 2005 will be yet another busy one. The Buddhist Churches of Canada will be celebrating its 100<sup>th</sup> Anniversary with a visitation by Gomonsu and Ourakata from Nishi Hongwanji in the month of August. They will be attending commemorative services in Toronto, Winnipeg, Lethbridge and in Richmond. The date of the West Coast celebration is August 25. The 50<sup>th</sup> Annual BC Buddhist Convention will be held in the fall of 2005. Our temple will be hosting the convention. The annual general meeting of the Vancouver Buddhist Church will be held on February 6. The BCC annual general meeting is scheduled for April and to be held in Steveston.

Thank you to all our members and friends for the kind support given our temple. Without you, we are nothing. Thank you, Aoki Sensei and Yukari-san for all your effort. May the New Year be full of health and happiness. Shin Nen Akemashite Omedeto Gozai Masu.

## Fraser Valley Buddhist Temple News

As the year comes to a close we can look upon 2004 as a significant year for our Temple. There was a great flurry of activity during the spring and summer as we gathered to rebuild and prepare for our re-opening on October 3. Now that our Temple is rebuilt we have been focusing on other activities.

On the evening of November 17 a group of 12 people attended the beginning of a lecture series given by Rev. Aoki. The topic for this first session was an "Introduction to Buddhism" followed by a discussion period with a very inquisitive group of learners. We would like to thank Rev. Aoki for making this special trip out to the Fraser Valley and we look forward to our next session in the new year.

On November 21 Irene Rohrer hosted a craft work party to make luggage tags for delegates of the BCC Centennial celebration next August. A group of 9 women spent a fun afternoon talking, eating and of course learning from each other how to make luggage tags.

Our Bodhi Day and Monthly Memorial Service was held on Saturday, December 11 with Bishop Fujikawa officiating as Rev. Aoki had another commitment on that day. We were very honored to have Rev. Grant Ikuta of the Toronto Buddhist Church as our guest minister. He has many ties to our Temple as his grandfather Rev. Shinjo Ikuta conducted our first service in 1954 and his father Rev. S. Kyojo Ikuta was our minister in the 1960's. His Dharma talk to the children and then adults in both English and Japanese was very impressive. The service was followed with our usual delicious potluck lunch and Bingo where everyone brought Christmas presents as prizes. Ron Fujita won the first and last prize as well as a couple in between. It was a win well deserved as Ron & family have helped so much with our rebuilding.

Throughout this year we have been very fortunate to share all the guest ministers who have been invited by the Vancouver Buddhist Church to celebrate their centennial. Thank you Vancouver, for giving us the opportunity to hear the teachings from a wonderful assortment of ministers.

Finally I would like to give special thanks to our Board of Directors. It was due to their commitment that we were able to see our restoration to completion. Thank you as well to Bishop Fujikawa and Rev. Aoki for your continued support and understanding.

Wishing everyone a happy and enlightening 2005!

Our next service will be Saturday, January 15 @ 2:00 pm.

## BCC Update— December 2004

*A monthly update from the national headquarters of the Shin Buddhist Churches of Canada.

December is the month to commemorate Bodhi Day, one of the three holy days in the life history of Shakyamuni Buddha; the other two are Nirvana Day in February and Hanamatsuri in April. He had attained Enlightenment on December 8<sup>th</sup> 2500 years ago.

This Bodhi Day among the three, however, is very important in Jodo Shinshu tradition that, according to Shinran Shonin Shakyamuni appeared into human life to solely introduce the teaching of Primal Vow of Amida Buddha.

Although it was a small group, eight participants from BCC successfully completed Hongwanji Seminar on Nov 25-27, 2004 in Kyoto and enjoyed their extended trip in the season of Fall in Japan.

Environmental awareness: Recycle is the first step to save the Earth.

Requests from the Bishop: To the general membership, please give generously to the needy in this festive season. To the temple boards, give consideration when you review the bonus and salary of your resident minister.
